

Orpheus Valley Ski & Spa

The **BASIC FURNISHING PACKAGE** has been developed by BALKAN Hotel Management Company Ltd. according to the hotel's regulations in force and it is obligatory for the owners if they would like to have a rental contract with BHMC. This package emphasises the "hotel room" functionality and still allows normal living in the apartments. It is based upon the principle that tourists use accommodation and food-and-beverage services, in consideration of the hotel services and catering facilities that ORPHEUS VALLEY Ski & Spa Resort - and Pamporovo in general - now offer.
